**SCHEDULE OF APPROVAL**

**Design, Drawings and/or Specifications**

Drawing number	Issue	Description
A000163-1	-	Hydrostatic Release Unit Hammar H2O for Liferrafts

**Instructions and Markings**

All required marking shall be specified in English and French.

**Conditions**

1. The Hydrostatic Release Unit is to be constructed in accordance with manufacturer’s drawings listed above and no departure from these drawings shall be made without prior notification to Transport Canada Marine Safety.
2. This certificate may be suspended or cancelled if the manufacturer deviates from any of the conditions described herein without the prior consent of the Board of Steamship Inspection.
3. The manufacturer is responsible for the following: every Hydrostatic Release Unit built in accordance with the terms of this Certificate of Approval is of the approved prototype.
4. Each Hydrostatic Release Unit is to be supplied with operating and training information, in English and in French, suitable for insertion into the ship’s on-board training manual.
5. This approval is given on the understanding that Transport Canada, Marine Safety reserves the right to require check tests to be carried out at any time and that CM Hammar AB will accept responsibility for informing ship owners of proper methods of use, maintenance and of the conditions of this approval.

**End of Certificate**
